## GAFNEY LIBRARY, INC.

Gafney Library, Inc. continues to serve your community with a growing file of borrowers, approximately 325 adults and 600 juvenile, plus the personnel and patients at Carroll County Home. Circulation has increased from 14,173 in 1969 to 17,451 in 1970.

The Book Purchasing Committee consists of Mrs. Mildred Turner, Mrs. Lauriel Soucy, Mrs. Lydia Kennett, Mrs. Edna Manzer, Mrs. Hazel MacBrien, and Mr. Kenneth Beaupre as School consultant. The committee meets quarterly and is an important factor in the library's development. Books are our "Stock in Trade" and their selection a vital element in our ability to serve you more fully.

590 books were purchased in 1970 and 330 gift books were also added to our collection. We now have a total of 8,742 books on the shelves. Three more double book cases are on order, to take care of this increased volume. A nine-drawer file cabinet addition to the present card file was purchased in 1970.

Bookmobile books add greatly to the diversified choice available. 2354 books were borrowed during the past year.

Columbia Records have donated 15 more fine records which brings our total to 225. They are stored in two new record cabinets purchased by the library. 105 records were loaned in 1970.

At the September Annual Meeting the following officers were elected: President, Mr. Arthur Burleigh, Vice President, Mr. Horace Richter, Treasurer, Mr. Alden Young, Secretary, Mrs. Hazel MacBrien, Directors, Mrs. Adelaide Hughes and Rev. Allen W. Clark. Mr Richard Zarse resigned as Director because of pressures.

Friends of the Wakefield Libraries donated \$200. to Gafney Library for children's books. The money was realized from the Summer Book Sale of donated books held at Town Hall, Sanbornville. Remedial reading books of high interest and low vocabulary were purchased with this money.

Scheduled visits by children from Paul School, by grades, were made semimonthly mainly. Books were selected by Librarian and delivered to the fourth grade at Union School.

The weekly service to Carroll County Home was continued by Mr. Alden Young assisted by Mr. Walter Wentworth. 30 books are selected plus 20 paperbacks for delivery there. Gafney's supply of paperbacks is completely donated, so please keep this in mind and also remind your friends to donate their paperbacks to the library. There are approximately 500 books currently in use at the Carroll County Home.

Your librarian had to take a leave of absence from August into November and Mr. Alden Young, Trustee, was Substitute Librarian during that period.

Gafney Library is open Tuesday, Thursday, and Saturday, from 2 P.M. to 5 P.M. and from 7 P.M. to 8 P.M. Come in and browse around. We will be happy to serve you.

## WAKEFIELD LIBRARY

The Wakefield Library is open one afternoon a week, Wednesday, from 2 to 5. There has been considerable interest during the past year in old books and records. Wakefield Town Reports are one source of interest to some of our "researchers" as we have them in complete file from 1850 to the present day.

During this past year the library has increased its selection of books on crafts and antiques. It is our hope to have a fairly complete selection of books of this type.

There have been approximately 180 books added to the shelves, as well as several paper backs. Some of these have been purchased and many given. Gifts have been received from the following:

Mr. Norris Cate  
Gafney Library  
Mrs. Frank Heck  
Mrs. Nicholas Kittell  
Mrs. Frank Lewis

Mrs. Richard Magoun  
Miss Dorothea Morgan  
Mrs. Scirocco  
Mr. Thomas Scirocco  
Mrs. Lee Shaw  
Mr. Carlton Spencer  
Mrs. John Trickey

The State Bookmobile changes the selection of our books from that source about every three months and we receive fine service from our State Library when we send in special requests for books for our patron.

## REPORT of the FOREST FIRE WARDEN and DISTRICT CHIEF

The 1970 forest fire season was a quiet one in this area, quiet in part because of your continued cooperation and favorable weather conditions.

Fires that did occur were, for the most part, caused by debris burning, children and smokers.

The elimination of these three causes of forest fires would drastically change this picture—to bring about this change we make the following suggestions:

1. When the ground is not covered with snow a permit to burn must be obtained from the Forest Fire Warden. This permit covers waste burning, even if in an incinerator, grass burning, as well as garden trash and brush burning such burning is restricted by regulation to prior to 9:00 A.M. and after 5:00 P.M. with the following exceptions:

Commercial or industrial burning is permissible at any time under normal conditions but only with the approval of the District Chief and a written permit from the Forest Fire Warden.

2. Fires caused by children can be prevented only with the complete cooperation of parents in the supervision of their children, keep matches out of reach of children, this action will help to prevent fires and may save a life, the life of your child. Try to explain this to your child, won't you?

3. Forest fires caused by smokers can be reduced in number by the exercise of more care in the discarding of matches and smoking material whether from a vehicle or by a hiker. In all cases, make sure that the butt or match you discard is out, dead out. Smokey says, "Thanks for your help," and invites you to join with him in setting a good example for others in the prevention of fires and the protection of our environment.

Number of fires reported and acres burned:

STATE	—	484 fires	—	244 acres
DISTRICT	—	46 fires	—	16 acres
TOWN	—	4 fires	—	3/8 acre

# REPORT OF SUPERINTENDENT OF SCHOOLS AND ASSISTANT SUPERINTENDENT

To the School Board and Citizens of Wakefield:

	2	Mrs. Eleanor Horne	23
	3	Mrs. Diane Howgate	25

\*Principal

## Other Staff Members

School Nurse	Mrs. Devena DeWolf R.N.
Teacher Aide	Mrs. Nancy Murray
Music	Mrs. Arlene Tibbetts
Custodians	Mrs. Dorothy Pippin
	Mrs. Archie Dodier
	Mr. Archie Dodier

Wakefield tuition pupils attending schools outside the district are as follows:

<u>School</u>	<u>Special Education</u>	<u>Grades</u>				<u>Total</u>
		9	10	11	12	
Spaulding		27	18	11	11	67
Nute		3	4	5	5	17
Kingswood	3	1	1			5
Great Bay	<u>2</u>					<u>2</u>
Total	5	31	23	16	16	91

As was brought out in last year's District report, a plan for implementation of the state minimum standards must be initiated no later than September 1, 1972. This does not necessarily mean that all facets of the document must be met by then, but the district should have long range plans in meeting these requirements.

The following is an inconclusive summary as to how Wakefield stands on some of the stipulations of the Minimum Standards at present.

1. The pupil-teacher ratio for grades 1-2 shall be 25 to one or less Yes
2. The pupil-teacher ratio for grades 3-8 shall be 30 to one or less Yes
3. A broad and well balanced curriculum is offered
  - a. Needs emphasis in the Art and Physical Programs
4. Library Services - Schools enrolling 150-300 children shall provide at least 1000 square feet of library space or one regular classroom. Teachers and pupil must have access to 6000 books.
  - a. We have no space available at the Paul or Union Schools for a library and our library collection falls far short of the necessary number. We are programming for library books as of this year.
5. Guidance service shall be provided for all pupils.
  - a. We do not have any guidance program.
6. Special Education services shall be provided to all children who differ from the average to a significant degree in intellectual or physical characteristics.
  - a. We are tuitioning out some Special Education children, thus providing for their education. Others may need some form of special instruction but are not receiving it. A remedial reading teacher is recommended.

7. In schools with between 150-300 children enrolled the elementary principal shall have at least one-half-time scheduled for supervision of instruction and other leadership responsibilities.
  - a. Our principal is teaching full time.
  - b. Guidance services could be provided by the principal.

In 1970-71 the sending districts requested a phasing in of grades 9-12 into the Rochester AREA School. If allowed, this would mean incentive aid from the State for each student attending. However, due to lack of progress, as far as a building program is concerned, the State refused to allow this implementation. Until such time that the AREA is in operation, students are allowed to attend other schools, with the District responsible for tuition up to the state average, or the pupil cost, whichever is less.

For the 1971-72 school year we are again trying to phase in grades 9-12 even though it might mean double sessions in Rochester. It will be at least two more years before grades 7-8 can be absorbed under the AREA contract.

The undersigned would like to express their thanks to the citizens of Wakefield, the school board, and the staff for their cooperation during the past year.

Respectfully submitted,

CHARLES H. MORGAN  
Superintendent

## REPORT OF PRINCIPAL

To the School Board, the Superintendent of Schools and citizens of the Wakefield School District, I respectfully submit my annual report.

The Wakefield Schools opened Wednesday, September 5, 1970 with 215 pupils in attendance in grades one through eight.

Our Professional Staff consists of nine regular classroom teachers. In addition we received the services of a full time teacher aide, a school nurse and music instructor.

The new members of our staff include Miss Patricia Hill and Miss Nadia Martineau of Farmington in the Union School teaching Grade 4, Mrs. Davina DeWolf of Brookfield replacing Mrs. Priscilla Fox as School Nurse, and I assumed the position vacated by Mr. Kenneth Beaupre who is presently serving as Assistant Superintendent of the Union.

We are fortunate to have the full time services of Mrs. Nancy Murray, our teacher aide.

This year, as before, all children in grades 4, 6, and 8 participated in the state wide testing program sponsored by the State Department of Education. The students were administered the Otis-Lennon Intelligence Test and Stanford Achievement Test. When the results of these tests are returned, each parent will receive a progress report on his child's performance.

Grades one through five work as self contained classes. Grades six through eight are semi-departmentalized with Mrs. Riley teaching the English, Mr. Howgate the reading and I teach the science.

Under the very capable direction of Mrs. Tibbetts, our music teacher, the annual musical Christmas program was its usual success. Our thanks to Mrs. Tibbetts for the time and energy she devoted to the effort.

Our intramural "flag" football program proved once again to be quite successful this year with approximately forty boys participating.

We have about 75 children participating in the ski program under the capable direction of the Moose Mountain Ski School.

National Education Week was climaxed this year with another most successful Open House. Our thanks for the cooperation of the several parents who helped to make this program a success.

Perfect attendance for the school year 1969-70 included:

Daniel Chadbourne  
LeeAnn Colbath  
Randy Colbath  
Susan Fogg  
John Gray  
Douglas Hunter  
Ellen Hutchins  
Nancy Hutchins  
Lori Marston  
Sharon Marston  
Paula Montgomery  
Janice Murray  
Rita Phelan  
Nita Whittemore

Respectfully Submitted,
